

Arunachal Pradesh Tax & Excise Department goes High-Tech

Itanagar: One of the seven sister States Arunachal Pradesh is now become High-tech. With the advent of technology recently Close Circuit Television (CCTV) Camera has been installed in the department of Tax & Excise Arunachal Pradesh. This has been linked to department

website <http://arun-taxexcise.nic.in> which can be accessible for 24x7. This has been made in order to mechanize regular and in time payment of tax which will also help in increasing revenue collection for the state. Through this website one

can access information under RTI directly. E-payment of Tax through internet banking will be introduced by the department very soon.

Besides, installation of CCTV will enhance the enforcement activities more effectively. This will also help the police to track the movement of vehicles. Planning has been made to facilitate online e-registration, e-return, e-issuance of statutory forms, e-refund etc. after the full computerization of Tax Department under Mission Mode Project.
