

## TRAINING PROGRAMME ON HOMEOPATHY FOR MOTHER AND CHILD CARE AT ARUNACHAL PRADESH

**Itanagar:** A state level training cum awareness programme of Homeopathy For Mother and Child care was conducted at the capital city of the State. Dignitaries and physicians of various places of Arunachal attended the meeting talked to the doctors on institutionalization of their system of medicine. Decisions have been also taken to aware people

regarding the strength of homoeopathy. The major focus of this training programme was to empower doctor to sensitize the masses, co-professionals regarding the importance of Homeopathy as its very cheap and easy to administer. Department of Ayush, Ministry of Health, Govt. of India has also launched a campaign

programme on this.

During this meeting the CMO, General Hospital, Naharlagun has told the Government to take up the issue of training of emergency medicines for Ayush Doctors to utilize their service to get maximum output.
