
Children's science convention at Goreswar

CORRESPONDENT

GORESWAR, Aug 26 – The 18th National Children's Science Convention, 2010 will be held here with a two-day programme on September 18 and 19 under the joint auspices of the Aryabhata Science Centre and the Goreswar unit of Asom Science Samiti.

On the occasion, a celebration committee was formed with Mati Bora as president, Khabiruddin Ali Ahmed as executive president and Subhas Ranjan Das as secretary at a general meet held recently.

According to information conveyed by the celebration committee, the main projects of the science convention would be prepared by the children between the age group 10-14 and 15-17 from different schools. The subject of the project is 'Land resource: use for prosperity, save for posterity' and the competitors would have to submit it at the celebration committee office on or before September 8. Besides, the elaborate programme also includes extempore speech competition and modern exhibition competition among the school children.

On the occasion, a souvenir *Syisti* would be brought out. Contributors can send their write-ups at the following address: Subhash Ranjan Das, secretary, Goreswar bus stand, Baksa district.
